MEDIA RELEASE

Otago Volts ticket discount for SBS Bank customers

Local cricket fans who are customers of SBS Bank have even greater incentive to support their Otago Volts team during the HRV Twenty20 season, with a discount on all match tickets.

SBS Bank Dunedin manager Andrew Kilsby said as proud sponsors of Otago Cricket, tickets to all upcoming Otago Volts games would be available to all SBS Bank customers through their main southern branches with a 10 percent discount.

“The Otago Volts are the defending Twenty20 champions and, as a major sponsor of Otago Cricket, it’s great to be able to support Mike Hesson, Craig Cumming and the guys through their 2009/2010 campaign.

“Helping to bolster attendance at the local games will assist in spurring our guys on even more and the team at SBS Bank will also be there cheering the team,” Mr Kilsby said.

Otago Volts upcoming schedule includes HRV Cup Twenty20 fixtures against the Wellington Firebirds, in Dunedin on Sunday 10 January, the Northern Knights, in Invercargill on Tuesday 12, the Auckland Aces, in Dunedin on Friday 15, the Canterbury Wizards, in Dunedin on Friday 22, and the Central Stags, in Dunedin on Sunday 24 January. Tickets for all of these games are available through SBS Bank branches in Dunedin and Invercargill, with SBS Bank members receiving a 10 percent discount.

“For more than 140 years SBS Bank has been totally committed to supporting our communities and delivering exceptional customer service through our dedicated team of staff – it’s the people and relationships that make the difference at SBS Bank and we just thrive on being a part of everything that’s going on in our regions,” Mr Kilsby said.

“We see our sponsorship involvement as an extension of what we are as an organisation and go all-out to be the very best at everything we do. Whether it’s finding the right investment for our customers or supporting our communities and our local clubs and charities through our tailored non-profit banking package, we know we can deliver.”
