SBS Bank Hamilton settled in new site

SBS Bank's first-rate experience in the Waikato has been bolstered further this week with the team making the move to their new improved and more central site in Hamilton.

Now located as the anchor tenant in Tainui Group Holdings (TGH) refurbished retail building on the corner of Victoria and Bryce Streets in Hamilton, SBS Bank is now operating in the comfort of greater space with improved accessibility.

SBS Bank Hamilton manager Rod Fox said their team had put in a big effort to ensure the transition to the new branch location caused as little disruption as possible for their loyal SBS Bank customers.

"Our relocation could not have come at a better time for our growing member base here in the Waikato. We have been fortunate to continue to experience solid growth since opening our Hamilton branch in 2000 and we had outgrown our former Victoria Street premises.

"The new surrounds and additional space include a larger waiting area with comfortable couches, additional interview rooms for personal appointments, secure teller counters, increased storage and fresh new décor. Join all of this with our customary SBS Bank fantastic service and hot coffee for anyone who pops in and it is a perfect 10-year anniversary gift for our Hamilton team and all of our customers," Mr Fox said.

"We look forward to seeing our Waikato members at our new location. We will make sure the coffee is hot and waiting."
